Speaker & Author

My mission is to inspire and equip others to find freedom and healing in Christ on the Journey of the Beloved.

→ a little about me

I am an experienced speaker, writer, wife, and mother from Ashburn, Virginia and the award-winning author of **Let Yourself Be Loved: Big Lessons from a Little Life** (Koehler Books, Jan 2022) -- **WINNER of Best Memoir** from the Catholic Media Association (2023) and the Silver Medal from the prestigious Nautilus Book Awards. I have been a leader in ministry and faith-formation for more than 25 years. My mission is to inspire & equip others to find freedom and healing through intimacy with Christ. I connect warmly and vulnerably with my audience by sharing my story of unexpected brokenness and the transformation, restoration, and healing I experienced at the foot of the cross. I lead others to embark on their own **Journey of the Beloved** to learn to **let themselves be loved** through my ministry, speaking, & healing workshops.
